

## The Yardsaver Steel Shed

### Arrow Do-It-Yourself Steel Shed Kits

#### Quality & Innovation

An innovation in compact, economical storage space solutions, the Yardsaver fits in and blends in like no other building can. The horizontal wood-grain embossed paneling is styled in a complementary eggshell that looks great "leaning" against any wall or in narrow, hard to fit areas. Yardsaver is the space saving answer to all kinds of storage problems from trash containers and bicycles to lawn equipment, firewood and more.

- Slope roof design - place against house or any exterior wall
- Horizontal siding helps protect against the elements that contribute to rust
- Doors may be installed at either 4-foot end
- Hasp lock system accommodates any padlock for added security
- PREMIUM Quality long lasting galvanized steel construction
- Exterior and interior backing paint is applied over the galvanized steel providing excellent durability. Then a baked on enamel finish is applied for added longevity.

#### 12 Year Limited Warranty

- This unit has wall thickness of .009"
- Snow load rating for this unit is 24lbs per sq. ft.
- Vertical wall braces for greater all-around strength
- LOW Cost - High Quality Storage Solution - No Maintenance
- Swing-open core-backed doors
- All parts pre-cut & pre-Drilled and numbered for easier assembly
- All steel frame parts are hot-dipped galvanized for durability
- Roof, wall and door panels are made of sturdy galvanized steel
- Wall & Roof color: **Eggshell**
- We do not provide a foundation or floor as standard. You can build your own but we recommend our optional galvanized steel foundation kits. It is easy to screw a plywood floor on to the steel foundation.
- **All buildings must be anchored. This kit does not include an anchoring system.**

The Yardsaver Shed - Specifications					Interior Dimensions			Door Opening		Foundation		Wall Height
