

Awnings: Retractable Awnings

Awnings for your deck or patio

Series 8000

Things to know about the Series 8000 Patio Awning...

- Many Standard Retractable Patio Awning sizes!
- Offered in the most popular sizes and colors
- Delivery to your home is 14 - 17 business days from your order confirmation.
- **CUSTOM SIZING!** You can make your awning to the inch! Just price it out to the next highest size, and get what you need!
- Series 8000 Retractable Patio Awnings are made to order upon submission of your specifications.
-  [Please measure carefully](#) - there are no returns on these kits.
- Frame is manufactured with heavy duty extruded aluminum for additional strength and durability
- Our all-aluminum frames are manufactured and assembled in the USA
- Our all-aluminum frames are rust proof and powder coated
- Our stationary awnings & canopies have European styling.
- Our retractable awnings are designed by one of Italy's premier awning designers
- All our awnings are UL and TUV consumer product tested and approved
- Frame is finished with a powder coated finish in 3 color choices... white / almond / or bronze
-  Check out our 45 fabric choices
- Fabric is the Sunbrella line of fabrics and is a 320 gram weight. The highest quality acrylic marine weave, treated for water repellency.
- **5-Year warranty on Fabric**
- **20-Year warranty on Frame**
- Built in Flex-Pitch option. Allows you to change the angle of your awning at will, ranging from zero degrees to 35 degrees off of horizontal. This great feature give you freedom and maximum shade control.
- Completely assembled and ready to install
- No pulling or lifting of extra support arms required. Awning opens and closes with a simple turn of a handle.
- Awning operates with crank handle on the right hand or left hand side (outside looking in!)
- If you choose the motorized version of the 8000 series you can count on the quality of the Somfy motor. This super duty motor is engineered for long life with a 5 year warranty.
- The motorized version of the 8000 series comes with a wireless remote.
- **All motorized awnings for the Series 7000 & 8000 include manual override and a 12' plug-in cord with remote control.**
- Enjoy your deck without the worry of support arms or poles.

Order Check List for Matrix Series 8000

- White Frame is standard on ALL Models
- Awning controls Right or Left Hand Side operation.
- Complete mounting hardware is included

White, Bronze or Almond Frame	Quantity	Width	Projection	Manual or Motorized	Fabric Number	Fabric Name	Left or Right Operation

Options

Protective Hood

Protects fabric when the awning is retracted from rain, snow and sun. Suggested but not required on motorized units or roof kit installations

Roof Mount Kit

Provides all necessary brackets for roof mount installation when wall space requirements cannot be met. Protective Hood is suggested for this application but not required.

Wind Sensor - \$399.00

When the wind gusts, the Wind Sensor activates the motorized awning retracting your awning completely protecting it from damaging winds.

All awnings come with a 3'7" crank handle. Lengths of 5', 6', 7' & 8' are available at no extra cost upon request.

Obtaining necessary permits is the sole responsibility of purchaser. Customers agree to hold ScreenHouses Unlimited and manufacturer free of any liability for improper installation, maintenance and repair.
