\$5570.00 **\$5291.50**

Credit Card 12' Round Certified Check

Five Year Limited Warranty

PVC Gazebo Features:

These do it yourself sunrooms have a **Roof Structure** that is made of 1 1/4" diameter .085" extruded aluminum poles with a baked on enamel finish. **Once up, there is no need to take it down!**
Do not let snow build up on the roof! A maximum of 4" is the manufacturers recommendation.

- These sunroom kits also have a **3" Overhang** built into every unit, preventing the rain from washing down the screen face.
- The roof is a 16 ounce triple ply vinyl top available in three colors - - green, tan or burgundy.
- The vinyl top is cold crack resistant to -58F.
- The vinyl top is attached to the aluminum structure around the perimeter and on each roof strut that extends from the center hubs.
- Comes with a 5 year limited warranty.

Used as spa enclosure kits, these screened patio enclosures are made with **1/8" thick PVC and extruded to form a double walled PVC frame!** Comes with a 5 year limited warranty. Made to last!

Our PVC Gazebo Kits come with "snap in place" screen panels as well as "snap in place" clear polymer windows to keep the weather out. The 16 gauge clear polymer windows have UV inhibitors and are cold resistant to -4F.

Premium Quality

The PVC Gazebo Kit has a cover that will last up to 10 years in normal conditions. *Designed to stay up all year round*, this **16 Ounce Vinyl** is made to last and is also UV resistant to prevent yellowing. Made to be tear and abrasive resistant, we have incorporated an "anti-wicking" agent to prevent mold and mildew. Of course both the top and the PVC frame have a limited 5 year warranty against manufacturers defects. This PVC Gazebo Kit is a great addition to any backyard and can be used effectively as a PVC Spa Enclosure Kit.
