Starting at:

~~\$2590.00~~ **\$2460.50**

Credit Card **8'x10'** Certified Check

Up to 10' x 37' available

Full One Year Warranty

Premium Quality

- A fully supported extended awning with Roof Rafter System and Screen Panel System to give you the best of the outdoors
- U-channel floor attach system and easy slide off roof makes for easy winter storage - **not recommended for a snow load**
- Back wall set for trailers 91" high sloping to 76" at front
- The panels that would typically attach to the house wall have been shimmed with a foam backed vertical support, eliminating the need to screw the unit into the trailer sides.
- Side walls move with trailer as you go in and out
- Horizontal mounting rail replaces existing awning rail.
- Complete with top, gable ends, mounting rail, roof rafter system, adjustable leg supports.
- The support bar on the inside of the screen panels is at center height on the door and 1/3 from the bottom on all other panels. This means that you have a clear line of sight when seated but the screen door is protected at the door handle.
- Roof tensioning system is built into the end of the roof rafters and is accessed from within the overhang using a large thumb nut for ease of operation.
- The combination of roof overhang, roof tensioning system and roof pitch means that water puddling is virtually eliminated.
- All panels are bolted together. No silly cables or plastic pieces. The room **MUST** be screwed to a deck or patio. This is a very high quality, long lasting gazebo style room that is easily assembled in a few hours.

Inside View of Patio Plus

- The triple ply, Heavy Duty Vinyl, heat sealed (welded joints), 14 oz soft vinyl roof is made to last over 1" galvanized steel rafters
- Frame is 1 1/4" wide x 1/2" thick rustproof aluminum with baked on enamel finish - in white only.
 - Vinyl top color: Hunter Green, Navy Blue, Medium Gray, Taupe or White
 - Extend the seasons with privacy/windbreaker panels - simply snap them in behind the screen
 - Attaches to your home, cottage or trailer wall
 - Designed for easy setup in 3-6 hours
- Non-retractable with front support poles in open length area
- Please allow 4 weeks for delivery as each canopy is made to order.

You can design your screen room to be any combination of enclosed screen room with open canopy (on right or left hand side). Please call us for pricing on the one you would like to build!
